To whom it may concern,

We hereby confirm that this IFS audit at Inex nv, Meulestraat 19, 9520 Sint-Lievens-Houtem, Belgium was performed unannounced.

Due to capacity problems of the Vinçotte Certification Committee, the review of the report and the taking of decisions by the Certification Committee was completed too late. Therefore Vinçotte Nederland BV could no longer register the audit as 'unannounced'.

That is why this audit in the IFS database is registered as announced, although the actual audit is performed unannounced.

The scope of the audit was: "Sterilization, fermentation, pasteurization, UHT-treatment and cooling of dairy products, soya drinks, rice pea drinks, oat drinks, cat milk and aseptic- or non-aseptic filling in brik, bag-in-box, PS-cups, PP-cups, HDPE-bottles, glass bottles and PET-bottles."

If you have any questions, please do not hesitate to contact us.

Sincerely yours,
